

SENIOR ASSOCIATE (3+ years) - EU REGULATORY LAW

CHEMICALS & ENVIRONMENT

VVGB is looking for a Senior Associate in its EU Regulatory Practice.

Profile

- 3+ years qualified member of the bar in an EU Member State
- Litigation experience before national courts or the EU Courts
- Experience in negotiating, reviewing and drafting contracts
- Client driven attitude
- Accurate and thorough
- Committed team player
- Master's degree (LL.M) in EU Law (College of Europe Bruges or equivalent)
- Convincing university grades

Candidates with experience in the field of EU chemicals legislation at large will be considered with priority.

About the firm

VVGB is a Brussels based independent international law firm composed of experienced partners and their teams who combine their expertise and strengths to provide premier quality and personalized service at competitive rates due to the boutique structure. Clients include multinational corporations, medium-sized companies, international and domestic industry associations and governments.

The firm's EU Chemicals & Environment Regulatory Practice focuses on a wide range of compliance, litigation and enforcement matters relating to REACH/CLP, biocides, plant protection products, fertilizers, etc. but also packaging materials, (hazardous) waste, food, feed and various other highly regulated products and industries. We are furthermore legal counsel to consortia and we represent clients in data sharing negotiations and procedures.
